

VAIBHAVI KHARAWANE

Solapur, Maharashtra | +91 9309977264 | kharawanevaibhavi@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Motivated and detail-oriented aspiring Data Analyst with a strong interest in working with data and deriving meaningful insights. Skilled in **Python**, **SQL**, **Excel**, and **Power BI**, with hands-on experience in data analysis, dashboard creation, and reporting. Able to clean, organize, and analyze data to support better decision-making. Quick learner with strong problem-solving skills and a passion for turning raw data into clear, actionable information.

EDUCATION

Bachelor of Technology in Computer Science and Engineering November 2022 – Present
Walchand Institute of Technology, Solapur
CGPA: 9.2

SKILLS & ABILITIES

Programming Languages: Python, SQL, Java
Data Analysis & Visualization: Power BI, Excel, Pandas, NumPy, Matplotlib
Databases: MySQL, MongoDB
Tools & Platforms: Git, GitHub, Jupyter Notebook, VS Code, Windows, Linux (Ubuntu)
Relevant Coursework: Data Structures & Algorithms, Data Science, Machine Learning, Statistics
Soft Skills: Analytical Thinking, Problem-Solving, Communication, Team Collaboration, Adaptability

PROFESSIONAL EXPERIENCE

Data Analyst Intern January 2026 – May 2026
Intangles Pvt. Ltd.

- Worked on real-time **OBD vehicle data analysis** during the internship.
- Managed **scripts and APIs** for vehicle data fetching and processing.
- Gained hands-on experience in real-world **data handling** and project workflows.

Machine Learning Intern February 2025 – March 2025
Microsoft & SAP CSR Initiative

- Developed a **Personal Fitness Tracker** using Python and Machine Learning.
- Built and deployed the model using **TensorFlow** and **Streamlit**.
- Documented and published the project on **GitHub**.

PROJECTS

AI-Powered Sanskrit Learning Assistant July 2025 – May 2026

- Developed an **AI-Powered Sanskrit Learning Assistant** using AI and NLP techniques.
- Integrated **OCR, translation**, and simplified Hindi explanations for Sanskrit text.
- Added **quizzes, voice verification**, and glossary features for interactive learning.

Hand Gesture Recognition System April 2025 – May 2025

- Developed a **Hand Gesture Recognition System** using Python and OpenCV.
- Processed real-time gesture data for accurate **hand movement detection**.
- Implemented **gesture-based controls** to improve user interaction.

CERTIFICATIONS & ACHIEVEMENTS

- **Google Cloud** Certification
- **Power BI Hackathon** – Participant
- **Git & GitHub Workshop** – Completed
- **Smart India Hackathon** – Participant
- **Flipkart Runway: Season 4** – Online Quiz Participant
